

ABSTRACT OF THE DISCLOSURE

~~00011~~ 00010. The theoretical concept of Dermawear is one of defense and/or protection of the genital skin not afforded by condom use alone, by using modified men's briefs and/or underwear.:

~~00039.~~ ~~Apart from concrete existence the theoretical concept of my intellectual property is one of defense and/or protection.~~

~~00012~~ 00011. In the abstract, the utility of Dermawear is the principle of defense and/or protection from sexually transmitted diseases of exposed pubic skin not covered by a condom. Dermawear protects the genital region from sexually transmitted diseases. Phthirus Pubis, scabies, and warts being comprised of modified men's briefs and/or underwear.

~~00040.~~ ~~In the abstract, the spiritual (not of flesh or material matter) force drawn upon, and/or drawn out from my inspired (of God's breath) mind of invention (imagination) is, the principles of the Most High's "Grace and Mercy" towards fornicators and adulterers.~~

~~00041.~~ ~~"Grace and Mercy" manifested as "Dermawear" (Derm a Wear): Derma equals skin; wear equals an act or manner of covering hence, protection. Protective skin wear against sexually transmitted diseases of the male epidermic pubic and scrotal region.~~
